**Aspects of Language Contact: New Theoretical**

...

The authors present a number of new vistas on language contact which represent new developments in the field. In the first part of the volume, the focus is on methodology and theory. Thomas Stolz defines the study of Romancisation processes as a very promising laboratory for language-contact oriented research and theoretical work based thereon.

laboratory for language-contact oriented  
research and theoretical work based thereon.

### **Aspects of Language Contact - De Gruyter**

Language contact occurs when speakers of two  
or more languages or varieties interact and  
influence each other. The study of language  
contact is called contact linguistics. When  
speakers of different languages interact  
closely, it is typical for their languages to  
influence each other. Language contact can  
occur at language borders, between adstratum

words. Semantic Knowledge: Semantic Knowledge is the aspect of language that involves word meaning and word labels.

## Approaches To Language Typology Ealt

### **5 Aspects of Language – Language Development**

Any discussion of language contact and ensuing borrowing must take the various types of contact and the results for the languages involved into account. For the present discussion one must distinguish two basic kinds. The first is direct transfer where the effect is immediate, frequently with alteration in the structure of the recipient language. Immediate influence on closed
