Positive Health Online | Reviews

Reflexologists are always looking for new techniques to enhance their practice and this new book by Dr John R Cross, Light Touch Reflextherapy (LTR) is an interesting and useful adjunct to mainstream reflexology. I have always admired the author ' s passionate approach to promoting the assimilation of complementary therapies into the medical model of mainstream physical therapies.

For more than a decade this book, now with ICS Publications, has been a valuable resource for those wanting to explore the works and teachings of St. John of the Cross in a convenient format. In this concise introduction to and anthology of the works of the great Carmelite mystic, Father Marc Foley leads the reader step-by-step into the very ...

The Ascent to Joy: Selected Writings of John of the Cross ...

Two people have been poisoned, but by who? Mary is determined to find out and finds herself in the middle of a business scandal while she is at it. Unions, grudges, and money could all be motives, but finding the person behind it is harder than she thought. Being a funeral director and a coroner...
