With Ducati 's brand new water-cooled SuperSport models just about to hit the streets, what better time to look at buying the last of the air-cooled Supersport bikes? Move fast though because, while the 900SS is currently a very undervalued machine, history has demonstrated that the launch of a new generation of Ducati generally makes the older generations shoot up in value.

The 900SS is simply the best street bike Ducati has ever built. That's a provocative statement, considering the competence of Ducati's other recent releases, the 907 I.E. and the 851 Superbike, It's even more surprising when you consider the 900SS isn't all-new, and borrows many bits and pieces from other Ducatis.
