In Ages, Pember presciently observes the decline of Godly fear in society that was predicted in the Bible. Pember details seven points by which Christians can discern the relentless march of prophetic events leading to the rapture of the Church, the Great Tribulation, and the return of Jesus Christ.

G. H. Pember - Wikipedia

Product Description. . By covering many aspects of early biblical scholarship, Earth's Earliest Ages brings much to light, focussing heavily on pre-Adamic theory and the early history of Satan. Biblical content surrounding both the Fall of Man and the Flood eras, and modern (pre-20th century) distortions of the texts and contexts concerning both, is examined and dissected.
