are studying, areas of study you focused on during the trip, and any tasks you had to complete while on the trip. This is your introductory paragraph.

How to Write an Essay on a School Field Trip | Synonym report writingField trips and field reports. Field trips and reports are very variable in purpose and format, but will often be about the spatial relationships among data (eg archaeology, geology, geography, soil science, forestry, vegetation studies). However, field reports in anthropology, social geography and ecology may not be primarily about spatial data, although the physical setting will still usually be important.
