The Pioneer SX-650 weighed
in at around 29 pounds and
its dimensions are: 19 x 6 x
14.5 inches. For those with
dial lighting issues the
standard bulb in the SX-650
was an 8V 300mA globe bulb.
Those are a little difficult
to find these days so a good
substitute is a 10mm 8V
.250A wedge bulb.
